

## THE DRUCE TROPHY

**Presented in memory of Mrs Mary Druce, SLCGA Secretary 1946-54. Mary (Merry) worked tirelessly on behalf of SLCGA. After her death in 1954 the Druce Trophy came about and, because it was felt that Merry would have wished as many clubs and golfers of various handicaps as possible to be involved, the present format was devised, namely a foursomes handicap eclectic involving four members of each club, two of whom must have handicaps above 20.**
