

As the UK Government clamps down further in their efforts to contain Coronavirus (Covid-19), the SLCGA has decided that the only sensible option is to suspend all the Surrey Team and Individual Knockouts until further notice.

Most clubs are now restricted to members only and I am sure we are all wondering if even the golf courses will be closed soon.

If we are able to resume competitive golf later in the summer, we may decide to run the competitions again. However, rather than trying to play the finals in October we shall aim to postpone them to a later date. Therefore, the competition draws will all stand as they are now.

We are of course keeping the situation under constant review and will keep you updated as appropriate.

Hopefully this is all self-explanatory but if anybody does have any questions please do not hesitate to contact me – captain@slcga.org

In the meantime, we hope that you and your families all remain fit and healthy.
