

Samantha Fuller Wins Junior Florida International Championships

Roehampton's Samantha Fuller won the 12 and under 2011 Florida International in great style shooting a championship record 247 with a 72-74-71 which also won her the best player award in all age groups.

This was Samantha's 5th straight title at the Florida International, which is also a record. Sammy won the title against the very steady Mexican Andrea Gomez with Amy Zhang from China coming third.

On the tricky 5700 yard long course at Mission Inn in Orlando, Florida, Sammy played her very best golf in the third round and was after 15 holes 5 under par! She couldn't quite keep it up and dropped four shots finishing with a fantastic one under par.

Sammy said afterwards 'I loved my stay in Florida the weather, facilities and courses were fantastic. One of the highlights of my stay was being lucky enough to workout with Stacy Lewis who won a major on the LPGA Tour this year.'
