COUNTY CARD SCHEME

All SLCGA members, who are members of PARTICIPATING Clubs, will be entitled to hold a County Card. 25 Counties are included in the Scheme. County Cards will be issued in February each year. Cards are valid from 1st March each year.

Members wishing to purchase a County Card must apply to the SLCGA Secretary, or through their delegate, by the 31st January 2012.

Individual members of a participating Club may apply for a card at any time throughout the year. Application form from your Delegate or SLCGA website www.slcga.org/County Card

Full details of participating clubs and county can be found on the SLCGA website, a copy is also given to each participating Club.

The card will give a list of Participating Clubs in all the Counties.

A charge of £10 will be made for members wishing to join in the scheme. On payment of the fee and completion of an application form, members will be issued with a County Card. On the Card there will be a label showing their name, the name of their Club and their membership number.

The card is not transferable. County Card Members will be entitled to play at any, or all, of the other PARTICIPATING Clubs. At a time and date convenient to the Club where you wish to play.

The suggested rate is 50% of the Visitors Green Fee, or the Members Guest Rate

Members MUST book in advance with the Club Secretary or Professional and confirm the reduced fee payable.

Each Club will decide the rate to be charged for a County Card booking.

Members should not expect Clubs to cater for large parties; a booking for up to four players is, acceptable. Any booking for more than four players will be at the discretion of the Club. Members must have their card signed and dated by the Club they are visiting, before they play.

Members must conform to the Club Etiquette, Dress Rules and Regulations.

Proof of Handicap may be requested.

If your club is not a member of the County Card Scheme, your Club Secretary may contact the SLCGA Secretary for details on how to join.
